TULSA REINING CLASSIC

STALLION AUCTION

2019 Quarter Horse News Tulsa Reining Classic Stallion Auction STALLION OWNER BENEFITS

Great Value for Stallion Owners!

Our stallion owner benefits are created to serve our stallion auction participants.

Stallion owners have their 30-second commercials run on the Ford Truck Arena jumbotron and on the webcast, and at the end of each DVD created by Equine Promotions.

We also flash stallion photos on the jumbotron to remind bidders as to what stallions are available and point them to the website and to the on-site display to bid. Coupled with our current promotional opportunities (e-news, facebook, QUARTER HORSE NEWS, etc), we believe this offers great stallion benefits.

Stallion owners with unsold breedings at the close of auction are not required to pay a fee for participation in the auction.

Plus, with the support of QUARTER HORSE NEWS, each stallion is entered to win one of two stallion promotion packages custom-designed to contain both print and electronic advertising and valued at over \$5,000 each!
